SUMMARY

Self-motivated African Leadership University 3rd student in Computer Science. Passionate about community services, quality, and Inclusive education, data science, engineering&analytics (data, data, data everywhere), Information Technology, and Networking. I'm interested in getting new experience in any field to actually explore and grow who I am and who I can be as a person and professionally. I am also able to solve problems, work with a new team and explore new challenges to make the best out of any situation.

EDUCATIONAL BACKGROUND

-GS. NGORORERO -- *Nyamagabe*   *Primary and O'level 2004--2012*
